

ANDRII PSAROV

SUMMARY

Motivated Computer Science graduate with a strong interest in web development and software testing. I have hands-on experience building web applications using HTML, CSS, JavaScript, and React, as well as creating automated tests with tools like Selenium WebDriver and JUnit through university projects. I'm eager to grow professionally, deepen my technical skills, and apply my knowledge to real-world projects as part of a collaborative team.

EDUCATION

09/2018 – 06/2022

SUMY STATE UNIVERSITY

INFORMATION TECHNOLOGIES

Level in EQF: EQF level 6

09/2022 – 12/2023

SUMY STATE UNIVERSITY

INFORMATION TECHNOLOGIES

Level in EQF: EQF level 7

09/2023 – 12/2025

SUMY STATE UNIVERSITY

ENTREPRENEURSHIP, TRADE AND LOGISTICS

Level in EQF: EQF level 7

LANGUAGE SKILLS

Ukrainian: **mother tongue**

Russian: **mother tongue**

English: **B2**

DIGITAL SKILLS

Web Technologies

- HTML
- CSS
- Javascript

Version Control

- Git, GitHub

Programming & Databases

- Java
- Python
- SQL
- MariaDB

Test Automation

- Selenium WebDriver
- JUnit
- Robot Framework

SOFT SKILLS

- Fast learner
- Attention to detail
- Analytical thinking
- Teamwork
- Clear communication

WORK EXPERIENCE

OCTOBER 2023 - JUNE 2024

SOFTWARE ENGINEER

- Software development and maintenance
- Requirements analysis and technical specification creation
- Working with Git and version control workflows
- Web application performance optimization
- Database work (MySQL, PostgreSQL)

PROJECTS

Automated Web Application Testing Project

University Project

Project Description:

- Developed automated tests for a web application using Selenium WebDriver and JUnit
- Verified login and registration functionalities for multiple scenarios (success, errors, invalid inputs)
- Executed tests in Google Chrome with ChromeDriver in headless mode
- Applied Robot Framework and SeleniumLibrary for high-level test automation
- Improved reliability and efficiency of software testing processes
